OPERATIONS

Effective 1 September 1964, the 101st Fighter Group was reorganized to the Double Deputy System of Command and Management. This was the result of Headquarters, USAP converting all of their USAF organizations to this type of structure. Manning was reduced in the Wing Headquarters to provide general, rather than detailed, supervision and policy guidance to subordinate units. This resulted from a recognition that the geographical separation of the ANG Wing Headquarters from a majority of its subordinate units required the establishment of dual Deputies and Staffs in each Group rather than in the Wing Headquarters. A numerical reduction in the Wing Headquarters was an unavoidable resultant of this geographical factor. This reorganization involved the following actions: Redesignation of the existing Air Base Squadron to a Combat Support Squadron.
