NICKNAME

OPERATIONS

In 1974, the 115th Combat Support Squadron went back to Gulfport again for their Annual Training and the 115th CEF went to Galena, AK where they helped with USAF construction.

Lt Col Pete Pohlman took the 115th CSS to Gulfport again for annual training and made SOS for the Toledo ANG. The Medics went to McDill AFB in March for their annual training and another opportunity to operate in an Air Force environment.
