## NICKNAME

## OPERATIONS

November 2010—The 127th Comptroller Flight officially stood up on 6 November. Formerly a component of the 127th WG headquarters unit, the comptroller flight is charged with overseeing the 127th Wing's budget. Lt. Col. Constantine Leon assumed command of the new flight, which with 30 personnel on staff, is the largest comptroller unit in the Air National Guard.
