

137 MEDICAL GROUP

MISSION

Support the Governor of Oklahoma, Homeland Defense, and to facilitate the Global Reach of the United States Air Force by ensuring a medically fit fighting force through a combination of both health maintenance and care. During peacetime, personnel will maintain the highest state of medical readiness. During wartime, personnel will provide both service to the Will Rogers Air National Guard Base and agile combat support at forward operating locations.

OPERATIONS

In May of 1981 Lt. Col. Joe Spann accepted command of the 137th Clinic and later, during the Oct, 1981 UTA he dedicated the new 137th Tac Hospital.

During 4 - 18 Jun, 1995, the 137th Medical Squadron headed for Eglin AFB, FL. At Eglin AFB, FL the unit members briefed activities affiliated with the bombing recovery, trained on new audiology equipment and management software while others attended a "Train the Trainer" Course and trained side-by-side with active duty counterparts performing hands-on patient care.
