## **OPERATIONS**

154th Maintenance Squadron: Provides fully trained and qualified aircraft maintenance personnel capable of maintaining F-15, KC-135 and C-130 to support all peacetime training and wartime mission requirements.

The mission of the 154th Maintenance Squadron is to support the 154th Wing in meeting all of its operational requirements. Providing quality maintenance services for the 199th Fighter

Squadron, the 203rd Air Refueling Squadron, the 204th Airlift Squadron and the 154th Aircraft Generation Squadron.

The Maintenance Squadron consists of two major branches, the Equipment Maintenance Branch (EMB) and the Component Repair Branch (CRB). The EMB consists of three major elements, the Aircraft Generating Equipment Element, the Fabrication Element and the Munitions Element. The CRB also has three major elements, the Accessories Element, the Avionics Element and the Propulsion Element.

The 154 MXS has an authorized strength of 397 enlisted personnel and 4 officers for a total authorized strength of 401.
