NICKNAME

OPERATIONS

The Maintenance Group is comprised of four entities, the Aircraft Maintenance Squadron, responsible for configuration, inspection, service, on-equipment repair, launch and recovery primary mission aircraft in support of three assigned operational training flying squadrons and the Air National Guard/Air Force Reserve Test Center. The Maintenance Squadron is responsible for aircraft systems, components, associated support equipment and munitions for F-

16 assigned to the 162nd Fighter Wing. The Maintenance Support Flight is responsible for staff-related functions, such as the Maintenance Operations Center, Plans, Scheduling and Documentation; Comprehensive Engine Management, Maintenance Training and until very recently Plans and Programs; Quality Assurance is accomplished by the Quality Services Division.

Air Force Order of Battle
