OPERATIONS

The group provides personnel management support, human services and educational opportunities to enhance the professional development, personal growth and mission effectiveness of the wing. Operational functions within the squadron include the Military Personnel Flight, Education and Training Flight, and Career Assistance Advisor. The squadron also trains deployable personnel to support contingency operations. The squadron directly supports the wing's most important resource, our people. Subordinate to the group are three flights and three squadrons.

The 166th Mission Support Group manages people and resources in support of the war fighter

to ensure that all personnel are ready and able to deploy in support of contingencies and exercises anywhere in the world. The group is comprised of the 166th Civil Engineer Squadron, 166th Communications Flight, 166th Force Support Squadron, 166th Logistics Readiness Squadron and the 166th Security Forces Squadron.
