Nine people from the 177th RMS Transportation Section were activated and sent to Seymour Johnson AFB, NC. While stationed there, they provided needed "backfill" assistance in the Vehicle Operations Section as drivers of general purpose vehicles. Additionally, they assisted in the areas of vehicle maintenance, working on refueling vehicles, fire trucks and the K-loader, which loads C-5 pallets. The tours of duty involved long hours and uncertainty of schedules. All nine people have been demobilized.
