NICKNAME

OPERATIONS

The primary mission is to provide direct support, utilizing air resources, for Army ground maneuver units. Provides combat-ready Tactical Air Control party assets for combat maneuver units. Advise Army commanders on the capabilities and employment of air power, ensure its synchronization into the ground commanders' battle plan, and provide terminal attack control for close air support missions.

Air Support Operations Squadron building construction in progress, scheduled completion August 2009. Two Mine Resistant Ambush Protected vehicles delivered to train Air National Guard Joint Terminal Attack Controllers.
