EMBLEM

341 Organizational Missile Maintenance Squadron emblem: On a light blue disc edged with a narrow black border, a narrow yellow diagonal band bend sinisterwise from which issues a blue stylized truck with black wheel above the band and a blue atom in sinister below the band, in base a gray cloud formation garnished black, overall a white missile ascending in pale garnished black. Attached below the disc a blank yellow scroll edged black. **SIGNIFICANCE:** The missile is a symbol of modern weaponry. The truck is a symbol of maintenance and support provided to all

aerospace weapon systems. The atom is a representation of the nuclear age and the state of technology. The clouds are the theater for the aerospace mission of the Air Force. (Approved, 24 Feb 1978)
