## OPERATIONS

The 1st Communications Squadron provides combat-ready communications and information systems, to include audio-visual and air traffic control systems, for the 1st Fighter Wing and Headquarters Air Combat Command, ensuring readiness for worldwide warfighting missions. It services more than 10,000 personnel with unclassified and classified systems support, including more than 30 associate units, and manages a \$4-million annual budget, more than \$100 million dollars in equipment and 500 personnel.
