### **OPERATIONS**

The 4500th Air Base Wing, activated on 22 March 1960, served as the host unit until inactivated on 15 April 1977.

The 1 Tactical Fighter Wing assumed host unit responsibilities on 15 April 1977, after Headquarters, TAC disestablished the 4500th Air Base Wing and merged its assets into the newly activated 1st Combat Support Group. With this reorganization, Langley AFB conformed to the standard single-wing base structure.
