Air University transferred Tyndall AFB to ATC on 1 September. At the same time, Air University's 3820th Air University Wing became an ATC asset. ATC discontinued the 3820th and established the 3625th Training Wing in its place to conduct weapons controller training. Tyndall had operated the Air Tactical School, but it was put on hold in July with the advent of the Korean War. On 4 September ATC established the USAF Air Police School, which joined ATC's USAF Instrument Pilot School and Air University's aircraft controller school, which also was reassigned to Air Training Command.
