

ST MIHIEL AMMUNITION DEPOT

FRELOC Base Closures

On 31 January installation St Mihiel Ammunition Depot became the first major USAFE installation to be turned over to the French Government as a part of Project Fast Relocation. Between 20-31 March, the Government France took position of Chalons, Chambley, Chaumont, Dreux, Etain, Evreux-Fauville, Laon, Phalsbourg, and Toul-Rosieres Air Bases and Chateauroux Air Station. On 23 October USAFE released its final installation-Suippes Air Range—to the French government. 1967
